09.12.2015 [L] - [L][SIZE=3] How to Write a Screen Play Guide for Beginners to Intermediate Writers

Okay, here we go! If you own a phone, an iPad, iPod touch, or maybe even a tablet, chances are you've picked up a copy of a screen play or screenplay while sitting in a movie theater or at home, reading in bed. While movies can be a fun past time, and the experience of immersing yourself in the visual storytelling form is one that's difficult to replicate, there are many things to consider before jumping into writing a screenplay. This guide will take you through the process, from picking a genre and target audience to writing a brief synopsis that will set your screenplay apart from all the other screenplays on the market. So What Should Your Screenplay Be About? Before attempting to write a screenplay, it's important to have an idea of what you're writing about. The type of narrative feature or independent drama you're interested in may have a history or pedigree, but your screen play must answer some key questions about your idea and concept before you can say anything about the genre or tone of the script. For example, if your idea is a compelling, character driven thriller with a high degree of tension, it may not actually be a good fit for the screen play genre. If your concept and idea focus on a family drama or romance, then you may not be able to capture the emotional depth and high level of tension demanded by the screenplay genre. It's also important to consider the target audience before you begin writing. "Let your creative spirit guide you..." has been a motto for screenwriters for many years, and that may include writing a screenplay for yourself or close friends. If your idea and concept comes with a built in audience, then it's important to keep that in mind. For example, if you're writing a romantic comedy with a comedic premise, you may be in a better place than someone who is writing a slapstick comedy about the Danish resistance during World War II. If you are writing a genre that is more romantic or comedic, then you may consider submitting your screenplay
